Mr. Rodger Zellner
Green Pond Country Club
3604 Farmersville Road
Bethlehem, PA 18017

Dear Rodger,

As a Corporate Event Planner, I have the opportunity each year to organize numerous golf outings for both companies and non-profit agencies at country clubs and golf courses across the Lehigh Valley. I simply wanted to take a moment to acknowledge the excellent service provided by the management and staff at Green Pond Country Club during my golf outings that have taken place there so far this season.

John Kulhamer and his golfing staff always attend to every detail before, during and after each outing. I provide them with the lists of my needs and they see to those needs without exception. Everyone is courteous and friendly, giving the client a feeling of being among friends and family.

Brian Drake and his banquet staff are without a doubt the best staff at any golf course in the Lehigh Valley. I simply tell them my needs and they supply everything, and usually more than I requested, with a smile. I never have to ask for anything more than once. I trust them explicitly to take care of every detail and to completely satisfy my clients. Most importantly, they are always willing to accommodate my every special request.

I thank the management and staff at Green Pond Country Club for helping to make it so easy to organize successful golf outings. There is no other place in the Lehigh Valley I would rather hold a golf outing! Great golf, fabulous food and competitive pricing! Green Pond Country Club has it all!

Best regards,

Janet Cimino
